Hi, my name is Krystal! I'm originally from Florida, but currently living in Maryland. I've been modeling for about 4 years off and on. Outside of modeling, I love being a mom to my two boys and I love the outdoors, especially horseback riding! I want to give a special thank you to J. of REVEALED for submitting my pics for this publication. I hope you enjoy my pictorial!

My favorite part of my body are my legs,
but I probably get the most compliments on my butt and boobs!

Sexiest Feature: My sexiest feature is something the eyes can't see, my personality! I'm more beautiful on the inside than I am on the outside.

Hello, my name is Paulette, but I go by Tru Godiva. I'm originally from Gettysburg, PA but currently live in York, PA. I'm a mother of 6, three girls and three boys. So, as you can imagine I sacrificed my teens and most of my twenties giving up my freedom to be a mother. Now that they are getting older, I'm able to focus more on the things that make me happy. I initially started modeling to find myself as a woman; to face insecurities I was experiencing. I didn't believe in myself and I always thought I wasn't photogenic. Once I started, it was like therapy and I couldn't stop. Every time I wanted to be better!
